Medication Safety & Efficiency Conference

PRE-EVENT WORKSHOP | Wednesday 26 April 2023

13:30– 14:00   Registration | Arrival Tea & Coffee

14:00 –16:30   Including Afternoon Tea (*2:45pm – 3:00pm*)

PRE-CONFERENCE WORKSHOP | Optimising your eMM workflow

This workshop will explore pre- post- implementation data and results:

— Infusion pump integration and smart pump programming via EMR in ICU

— Integrated automated dispensing machines and closed loop medication management

— ePrescribing (paperless scripts) in a hospital setting

— Australian Immunisation Register integration with an EMR (live feed of immunisations administered to AIR)

— Clinical trial management within an EMR

Exploring our learnings from optimisation, interoperability and using a best of breed approach to workflows.

Brought to you by the team at **Alfred Health Pharmacy Digital Health**

Dr Erica Tong, *Chief Pharmacy Information Officer, Deputy Director of Pharmacy, Pharmacy Lead – Emergency & Intensive Care and Home, Acute & Community,* **Alfred Health**

Medication Safety & Efficiency Conference
Thursday 27 April 2023

DAY 1

8:30   Registration & Morning Coffee

9:00   **Opening remarks from the Chair**

Dr Amy Page, *Senior Research Fellow, School of Allied Health,* **University of Western Australia**

9:10   **OPENING KEYNOTE ADDRESS | The digital transformation in the outpatient and community setting**

Vicki Fleming, *Executive Director, Program Delivery,* **eHealth NSW**

9:45   **PANEL | What can we do to give clinicians back their time: making systems quicker & more efficient**

Julian Soriano, *Senior Pharmacist Palliative Care,* **SA Pharmacy**, *Embedded Aged Care Pharmacist,* **Tanunda Lutheran Home**

Melissa Fodera, *Clinical Excellence Lead- Medication Safety, Patient Safety, Experience & Clinical Excellence,* **Austin Health**

Moderated by Dr Amy Page, *Senior Research Fellow, School of Allied Health,* **University of Western Australia**

10:30   **ADDRESS | Guidelines for dispensing a conformant electronic prescription**

11:00   Networking Break & Morning Tea

11:30   **Achieving organisation goals through eHealth: what you need to know**

James Grant, *Clinical Informatics Consultant,* **Clinical Excellence Queensland**

12:00   **IN CONVERSATION | Do we have the correct tools to bridge communication between primary care and hospital setting?**

Professor Meredith Makeham, *Associate Dean, Community and Primary Health Care, Faculty of Medicine and Health,* **University of Sydney**

Bishma Jayathilaka, *Chief Pharmacy Information Officer,* **Peter MacCallum Cancer Centre**

Professor Dimity Pond, *Honorary Professor of General Practice,* **University of Newcastle**

Moderated by Dr Amy Page, *Senior Research Fellow, School of Allied Health,* **University of Western Australia**

12:45   **KEYNOTE ADDRESS**

Melissa Baysarri, *Professor of Human Factors,* **The University of Sydney**

13:15   Networking Lunch

14:15   **Common legal and ethical misconceptions in medication prescribing, and how to combat them**

Justine Anderson, *Associate,* **Carroll & O'Dea Lawyers**

14:45   **IN CONVERSATION | How are we educating our future professionals to be digitally literate & trained with all the well-established platforms?**

Dr Vivienne Mak, *Director, Health & Clinical Programs,* **Keypath Education**

Dr Rachelle Cutler, *Lecturer Pharmacy Practice,* **University of Technology Sydney**

Moderated by Dr Amy Page, *Senior Research Fellow, School of Allied Health,* **University of Western Australia**

15:30   Afternoon Networking Tea

16:00   **Improving Patient Safety: A state-first eMR solution for dysphagia fluid modifiers and medications**

Adam Tran, *eMeds Application Specialist - Clinical Informatics Unit,* **Northern Sydney & Central Coast Local Health District**

Andrew Allchin, *eMM Applications Manager,* **Northern Sydney & Central Coast Local Health District**

16:30   **PANEL | Prescribing within and outside of Aged Care**

Tamar Krebs, *Founder & Executive Director,* **Group Homes Australia**

Moderated by Dr Amy Page, *Senior Research Fellow, School of Allied Health,* **University of Western Australia**

17:15   Closing remarks from the Chair

17:20   Networking Drinks 🍸🍸

9:00   **Opening remarks from the Chair**

Melissa Fodera, *Clinical Excellence Lead- Medication Safety, Patient Safety, Experience & Clinical Excellence,* **Austin Health**

9:10   **INTERNATIONAL KEYNOTE | Shaping the future of digital health: reducing medication errors and improving clinical outcomes**

Carolyn Hoffman, *CEO,*
Institute for Safe Medication Practices Canada (ISMP)

9:45   **Ensuring Quality and Safety in eHealth**

Making sure the systems uphold the standards we had/have on paper and in practice. Correcting some of the compromises made to get digital systems in initially.

10:15   **PANEL | Co-Design: utilising eHealth for improving patient experience, flow & outcomes**

Associate Professor Reema Harrison, *Cancer Institute NSW Career Development Fellow, Centre for Health Systems and Safety Research, Australian Institute of Health Innovation,* **Macquarie University**

Mashreka Sarwar, *Consumer Co-facilitator - CanEngage Research Project,* **Consumer advisor - 'iCanCarePlan'**

Antoinette Abdelseed, *Consumer Co-facilitator - CanEngage Research Project,* **Consumer advisor - 'iCanCarePlan'**

Moderated by Melissa Fodera, *Clinical Excellence Lead- Medication Safety, Patient Safety, Experience & Clinical Excellence,* **Austin Health**

11:00   Networking Break & Morning Tea

11:30   **Noteworthy updates from the Agency's Medicines Safety Program - Electronic Prescribing and Real Time Prescription Monitoring**

Vicki Ibrahim, *Director, Medicines Safety Program,* **ADHA**

14:45   **Utilising digital solutions to enhance transitions of care**

Dr Racha Dabliz, *Senior Project Officer, eHealth and Medication Safety,* **Commission on Safety and Quality in Health Care**

12:30   **Optimising safe prescribing and management of high-risk medicines in the EMR: An iterative process**

— Prescribing and management of anticoagulation in the cancer setting

— Improving safety of insulin prescribing and administration

— Overview of Epic oncology module; from prescribing, manufacture to e-administration at point of care

Cheryl Jackson, *Senior Pharmacist Quality Use of Medicines,* **Peter MacCallum Cancer Centre**

Kate Witney, *Senior Pharmacist Quality Use of Medicines,* **Peter MacCallum Cancer Centre**

13:15   Networking Lunch

14:15   **Harnessing digital data: maximising patient safety & clinician efficiency**

— Looking beyond informed decision making

— High-risk medication management

— Co-design approaches to clinical analytics

Jodie Austin, *Clinical Informatics Director for the SMART Hub, Queensland Digital Health Centre,* **UQ**

14:45   **CLOSING KEYNOTE ADDRESS | The future of our profession: medication safety & efficiency**

Peter Guthrey, *Senior Pharmacist - Strategic Policy,* **PSA**

15:20   Closing remarks from the Chair

15:25   Afternoon Tea Served & End of Conference

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

Don't miss this opportunity to get involved early in this year's Medication Safety & Efficiency Conference.

Sponsorship or exhibiting will allow your organization to:

– Build relationships with potential & existing clients

– Network with the industry

– Generate leads from a targeted audience

– Demonstrate your product/service in person

– Build brand awareness

To see what we have available please contact:

Danielle Newman, Sponsorship Manager

Phone: (+61) 2 9080 4318
